

Great Snoring Parish Council

NEWSLETTER

Summary of the Meeting of Great Snoring Parish Council July 2019

Following the opening formalities we received reports from the County and District Councillors.

County Councillor Marie Strong mentioned that the Recycling Centre at Wells now has a re-use shop. She also gave advance notice that there would be Amnesty Days for hazardous waste e.g. paint on 6, 7, and 8 September at the Hempton Recycling Centre. The County Council is warning people to be aware of scams e.g. from people claiming to be from your bank and asking for personal information to transfer money. On another matter of safety, stickers are available for putting on the inside of your front door to remind you that you don't have to answer the door and that it is a good idea to 'Stop, Chain, Check' before opening the door. You might also be interested to know that many banking facilities are available at Post Offices.

The District Councillor's report noted that the North Norfolk Big Society Fund was open for applications – the next deadline is 12 August. The Cromer Pier Show was open for the summer season.

Planning: the Parish Council had received notification of one planning application since the previous meeting, at Top Farmhouse to repair and reinstate outbuildings. The Parish Council supported the proposals. The District Council had approved two applications, at Agricultural Barn, Thursford Road - conversion and change of use of barn to one dwelling and erection of detached garage with accommodation within roof space; at The Hermitage, Fakenham Road for a two storey dwelling and attached garage with annexe accommodation above.

Highways: it was noted that Highways had cut the verges in the middle of June. A vote of thanks was made to Dawn Spiteri and Dave Garner for cutting back the foliage around road signs. They had not managed to do the one on Thursford Road so this would be reported to Highways as would the twisted sign at Duck End. It was noted that the junction of Dildash Lane onto The Street was very dangerous. Various solutions were suggested such as mirrors or obscured entrance signage on The Street. The Clerk explained that Highways do not put up mirrors as they can be misread leading to accidents. It was also pointed out that there is already signage on The Street on the approach to the junction including 'slow' on the road.

The Speed Awareness Message Unit (SAM2) from Walsingham Parish Council was sited near Top Farm to capture the number and speed of vehicles driving from Walsingham into the village. It was in place between 8 April and 14 May 2019. The highest speed recorded was 47 mph on 19 April between 3 and 4 am. All the excessive speeds were recorded in the early morning between 1 and 6 am. The Unit will return to the village later in the year.

Allotments: the Pest Control Report for the allotments stated that there had been light rat takes and evidence seen around duck area. Vegetation down side is high, bulk feed remains in mussy duck run. Elsewhere field mouse evidence and takes. Monitoring blocks used. Recommendation: feed poultry what they eat, not in bulk feeders – this attracts pest birds and vermin. Trim vegetation.

It was decided to apply to the Sheringham Shoal Fund - rainwater catcher, and the Big Society Fund - play area and sensory garden, in addition to the application already submitted for the Sensory Garden and Play Ground project at the allotments and Gurney's Ground.

The date of the next meeting is **Thursday 12 September 2019 at 7 pm** in the Social Club. Members of the public are welcome to attend.

Councillors

Chairman

Vanessa Thompson 01328 821187

Vice Chairman

Jan Lockhart 01328 821329

Councillors

Averil Cooper 01328 820305

Member of Parliament

Keith Simpson (Con)

**The next Parish Council Meeting will be held on
Thursday 12 September
at 7.00pm**

Members of the public are welcome to attend. There is an opportunity at the beginning of the meeting for residents to raise matters of concern.

What would you like to see in our five year plan for health and care?

Making Norfolk and Waveney a healthier place to live

We all have lots of experiences of caring for others, and being cared for.

Could you turn your experiences into good ideas about how we can improve the health and wellbeing of people living in Norfolk and Waveney?

Your local NHS and care organisations are working together to plan for the future.

Join our online conversation to share your ideas and see other people's suggestions:

<https://ingoodhealth.dialogue-app.com/>

Your ideas might just save a life, so get involved and tell us what you want to see in our five year plan for health and care.

For those without the internet or who would prefer a paper form please contact the Parish Clerk or a Parish Councillor.

Old School House - The Street

15.05 - 15.25

Thursford Road

13 September - 11 October

The mobile library carries books for all ages and tastes.

Recycling Banks at Top Farm

Walsingham Road entrance

**GLASS - CLOTHES - SHOES
NEWSPAPERS & MAGAZINES**

In Great Snoring you can recycle your glass bottles and jars in the bottle bank at the entrance to Top Farm, opposite the Social Club.

There is now a Salvation Army Textile Bank alongside the Bottle Bank. Any textiles that go into the textile bank must be clean and of good quality - ie still with some life left in them. There is also a newspaper & magazine bank

The contents of the collection banks are weighed when they are emptied and the Parish Council receives recycling credits from the County Council, the rate is £58.60 per tonne. So far we have raised £76.39. Half of this has been ring-fenced to contribute to maintenance of the village defibrillator.

Thank you to all those who have used the bottle bank, your support for the village is much appreciated.

Snoring Knitters

The group of around 10 ladies from both The Snorings meet on the last Tuesday afternoon in the month. They are still very busy continuing to knit, crochet and sew for charity.

Amongst the variety of items made one lady is ingeniously creating twiddle blankets from recycled items, from old curtains to an unwanted jacket, nothing goes to waste.

We bring our work with us, discuss projects and have a cup of tea and indulge in the odd biscuit or two!!

If you enjoy knitting, crocheting or sewing do come and join us on Tuesday 27 August between 2pm & 4pm at the Social Club.

Contact Frances on 01328 878967 for details.

Great Snoring Oil Consortium
