 - b) **Fly Survey**
 - i) 29 surveys completed: 14 from Thursford Road, 6 from The Street, 5 from Dildash Lane and one each from Fakenham Road, Norwich Road, The Loke and Walsingham Road. While 22 noted that they had unacceptable levels in previous years, 8 reported that they also had unacceptable levels this year (Dildash Lane, Thursford Road, The Street and Walsingham Road). One reported problems year around, others reported problems starting in April, May and June. Most said that the problems were general worse during July and August. The flies are worse in warmer (and wet), sunnier weather. The majority commented that the problem seems to have been solved because there is no poultry at
